

Welcome

On behalf of the entire Themeco team, thank you for purchasing X. We're excited to welcome you to our community!

We want you to get up to speed quickly and easily. We have an extensive range of documentation and 24/7 support at your disposal to ensure you're an eXpert (see what we did there?) in no time at all.

Product registration

First of all, we strongly recommend that you [register with us here](#). Doing this gives you access to automatic theme updates and product support.

Documentation

We also advise that you [check out our knowledge base documentation here](#). You'll find everything from setup articles to advanced customization guidance.

Accessing support

To access theme support, you'll need to have [registered with us here](#). Registered customers can then [access our support forum here](#), 24/7, in accordance with your license terms.

Wrapping up

We know you have the choice of many, many WordPress themes, so we're delighted that you've chosen to create your website with X. Happy building!
